King,

Long time no see...I have a juicy proposition for you. Two weeks from now, me and my associates are planning a heist at the national gallery. Although, we need a helping hand. I know that you are on parole right now and are probably hesitant to participate. Me and your parole officer go years back. He is a very strict fellow. If he were to find out that you were dealing drugs and shooting dope in your veins every night, i feel he wouldnt be too happy. Its very easy for a person to phone the feds an anonymous tip that you are on drugs and the location of your stash. All they have to do is give you a drug test and since you're on parole, the feds dont need a search warrant. Well hit me up. You know where to find

hey sis yo friend coral got a email the attachment needs to be changed to pdf let her know

Per sms messages, changed text.txt to text.pdf, list of tools for heist:

needs.pdf

- A rope and javelin (using alternative means to break in)
- tactical turtle necks (what i will be wearing)
- spray paint (for the cameras)
- vibram five finger shoes (in order to walk silently)
- pack of smokes (detecting lasers)
- smoke grenades (use as a means of escape if caught)

116 Hey so i'm putting together this event we talked about and i want to make it as painless as possible. I know that your security folk sometimes get a little out of sorts. Is there a good time or maybe you could just let know the shift changes so you dont have to know when i am going to do this. I have a pretty good budget for the event if you would like a little something for the info. ----- On Tue, Jul 10, 2012 8:15 AM PDT Tracy TeeSumTwelve wrote: Yea sure, that sounds good.     &gt;Okay carrie I'm going to send this but you need to
    make sure no one else<br>
    &gt;sees it okay I could get in a bunch of trouble. &nbsp;&nbsp;&nbsp;I
    want to help you and I<br>
    &gt;could really use some extra cash too but please please
    be careful.<br>

    &gt;&gt;<br>
    &gt;&gt; Hey so i'm putting together this event we talked
    about and i want to make<br>
    &gt;&gt; it as painless as possible. &nbsp;&nbsp;&nbsp;I know that &nbsp;&nbsp;&nbsp;your
    security folk sometimes get<br>
    &gt;&gt; a little out of sorts. &nbsp;&nbsp;&nbsp;Is there a good time or
    maybe you could just let<br>
    &gt;&gt; know the shift changes so you dont have to know
    when i am going to do this.<br>
    &gt;&gt; &nbsp;&nbsp;&nbsp;I have a pretty good budget for the event if you
    would like &nbsp;&nbsp;&nbsp;a little<br>
    &gt;&gt; something for the info.<br>
```
